CONDITIONS OF SALE

— Goods supplied by INTEX DRYWALL SYSTEMS are supplied upon the following terms and conditions and not otherwise and Intex Drywall Systems expressly rejects any conditional sales order placed by the purchaser.

1. A contract is formed when INTEX DRYWALL SYSTEMS has received an order and either sends the purchaser a written acceptance or dispatches goods pursuant to the order.
2. The price is that quoted by INTEX DRYWALL SYSTEMS in respect of the particular order and not in any brochure or other product information published. Prices are ex-warehouse and are subject to GST where applicable. The purchaser shall arrange to bear the cost of delivery, freight and insurance unless otherwise negotiated by INTEX DRYWALL SYSTEMS.
3. Despatch dates will be observed subject to INTEX DRYWALL SYSTEMS ability to effect transport by available means.
4. No claims in reference to items covered by the invoice will be recognised unless made within 7 days of delivery. Invoice number and date must be quoted with all claims.
5. Payment is to be made within 30 days following the month in which the invoice is rendered and if not paid as aforesaid INTEX DRYWALL SYSTEMS may charge interest at prevailing bank overdraft interest rates applicable to it commencing at the date of invoice. If it becomes necessary to use the service of a debt collection agency or to institute legal proceedings to recover unpaid debts to INTEX DRYWALL SYSTEMS all discounts showing on unpaid invoices become null and void and the total list price showing becomes payable.
6. Unless prevented by statute all implied terms, conditions and warranties are excluded. INTEX DRYWALL SYSTEMS guarantees that the products will be free of defects but is not responsible for the use or misuse of the goods or the installations thereof by the purchaser or third party. The purchaser's remedy for any breach of condition warranty or condition of goods shall be limited at the discretion of INTEX DRYWALL SYSTEMS to the replacement of the goods and shall not include any consequential loss or damages in the event of any defect in or failure of goods.
7. All goods are supplied subject to retention of title. The goods remain the property of INTEX DRYWALL SYSTEMS until complete payment of all claims due to INTEX DRYWALL SYSTEMS arising from all business transactions between INTEX DRYWALL SYSTEMS and the purchaser. Prior to use or resale of goods the purchaser shall maintain them in an identifiable condition in store or on site. The purchaser may resell the goods in the ordinary course of business subject to maintaining INTEX DRYWALL SYSTEMS rights against the goods and acting as fiduciary in recovering payment of the goods and segregating such proceeds for the account of INTEX DRYWALL SYSTEMS until INTEX DRYWALL SYSTEMS is paid in full. The purchaser assigns to INTEX DRYWALL SYSTEMS any claims or rights against sub purchasers in order to enable INTEX DRYWALL SYSTEMS to make full recovery of monies owed to it in respect of the goods. In the event of failure of the purchaser to pay for the goods or in the event of the appointment of a receiver and manager, liquidator, agent in possession or execution of distress INTEX DRYWALL SYSTEMS may enter the purchaser's premises or elsewhere where the goods are stored or installed and recover them or to appoint an agent in writing to do so and the purchaser acknowledges and guarantees such right of entry during normal business hours.
8. Sales are governed by the law of Victoria. All disputes arising hereunder will be dealt with in the courts of Victoria and courts hearing appeals therefrom.
9. INTEX DRYWALL SYSTEMS does not waive any of its strict legal rights in respect of these conditions or the goods and shall not be bound by any waiver made by its servants and agents on a particular occasion.
10. The purchaser hereby releases, indemnifies and defends INTEX DRYWALL SYSTEMS from and against any losses, liabilities, claims, suits and costs caused by or arising out of the way in which the goods are packaged if the goods and any packages or containers in which they are contained are made in compliance with the purchaser's design or specification.
11. INTEX DRYWALL SYSTEMS will not be responsible for any delay in or failure of performance of supply or delivery of goods caused by circumstances beyond its control including, but not limited to, strikes, lock-outs, labour disturbances, Act of Government, riot, civil war, commotion, fire, flood, failure of power supply or similar event and shall not be liable for any consequential loss, damage, expense or claim suffered by the purchaser or any other party as a result of any such event.
12. INTEX DRYWALL SYSTEMS may in its absolute discretion accept the return of standard products (but not special products) to credit of the purchaser provided that such products are returned to its warehouse unused, undamaged and in unmarked original packaging before the expiry of 60 days after their delivery to the purchaser and the purchaser agrees to pay a handling and administration charge equal to 15% of the price. No returns of special products will be accepted. No goods will be accepted without a Goods Return Authority Number from this company. Invoice number and dates must accompany all claims.
13. Invoices of all products (excluding spare parts) with a Pre-tax value of less than \$75.00 will be invoiced at full list price with discounts being null and void.
14. Goods not supplied on original order will be backordered and held at the discretion of INTEX DRYWALL SYSTEMS unless advised otherwise and will be forwarded when stock is available or when next order is placed.
15. These conditions will not be varied unless INTEX DRYWALL SYSTEMS agrees in writing.

Premium Drywall Products

Intex

Buyer's Guide 2004

Intex Drywall Systems is an established family business with a commitment to provide the plasterboard industry Australia wide with the most comprehensive range of products. Having a complete system of accessories and tools for this industry ensures convenience and competitive prices to our customers.

Intex Drywall Systems have a determination to research, and a stringent quality control system. Better still, the range is continually being improved and updated with regular new and innovative ideas and product releases from around the world. Intex Drywall Systems' products are manufactured to the highest standards, controlled where applicable by the relevant International and Australian standards. All products are designed to be effective, fast and economical and include Roll-Formed Metal Sections, P.V.C.
