

Support you can count on

Our customer service team continues to go above and beyond for our customers. They provide reliable support, expert advice and solutions that help keep your projects moving.

Meet Leah

Leah, our Customer Service Representative in New South Wales, is committed to delivering exceptional support and a positive customer experience. Leah works closely with customers to answer questions, coordinate solutions and ensure their projects run smoothly from start to finish.

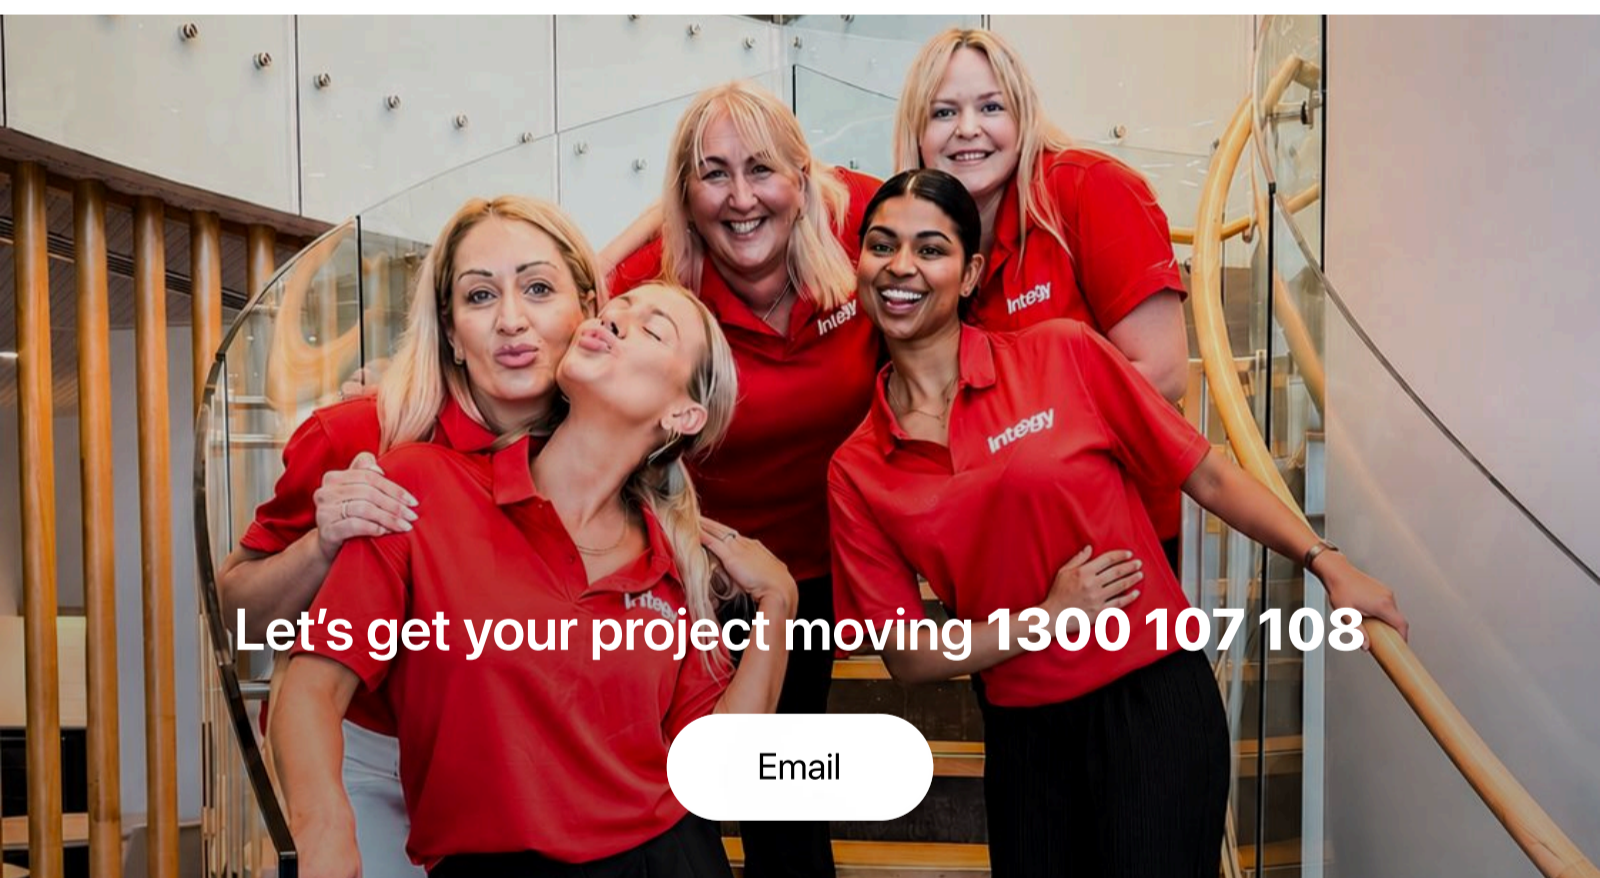

Meet Elica

Elica, our Customer Service Representative in Melbourne, supports our customers, distributors and commercial projects team. From processing orders to co-ordinating product requirements for major projects, she ensures orders are handled efficiently and promptly, helping customers stay supported and projects remain on track.

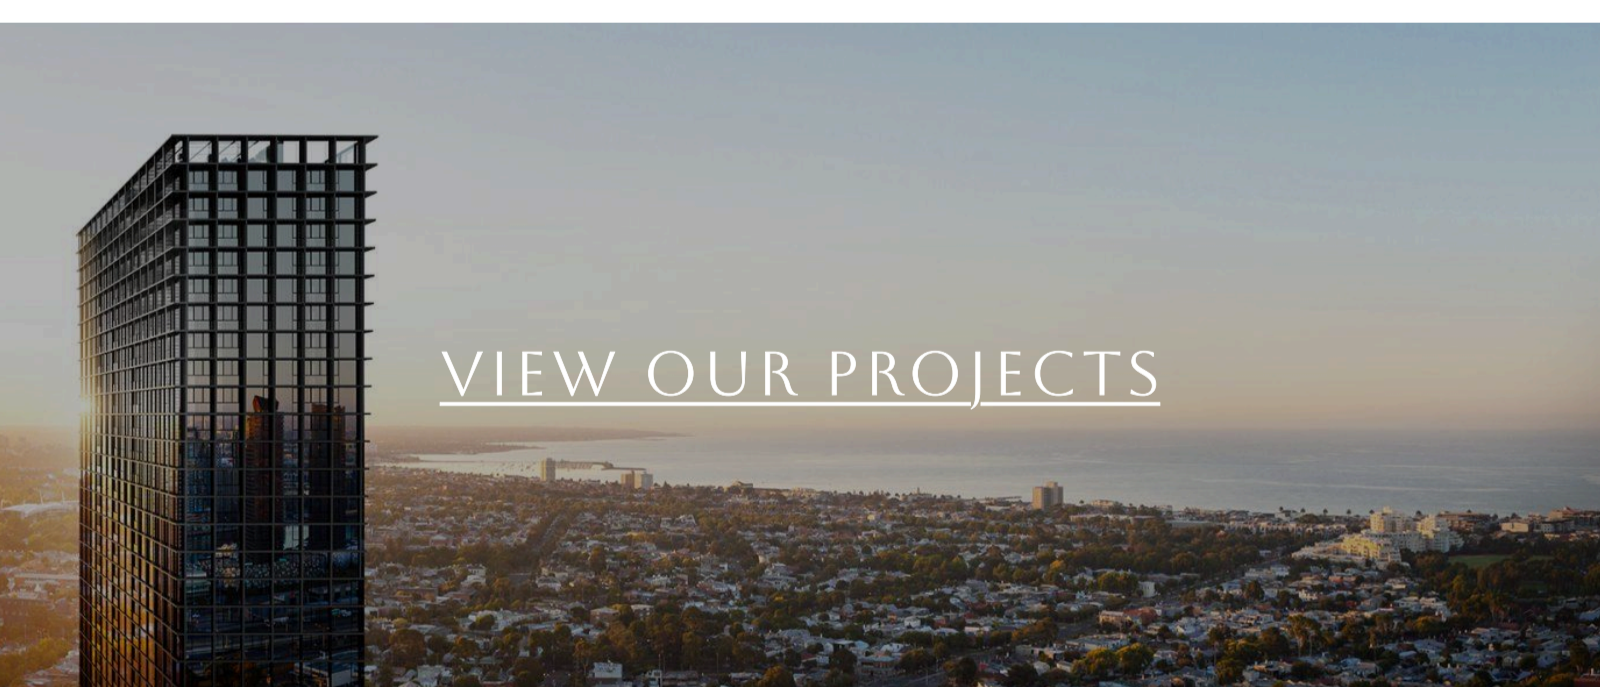

Meet Micah

Micah, our Customer Service Representative in Western Australia, supports our WA customers with extensive product knowledge and expert guidance throughout every stage of their projects. Working closely with customers to understand project requirements, Micah efficiently resolves challenges and helps ensure successful project outcomes through responsive and reliable service.
